

Astragalus

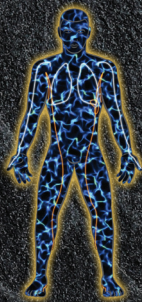

– First Line of Defense –

Astragalus

- A double-direction adaptogenic herb – helps **manage stress that causes aging**
- A famed **energizer**, especially strengthening to the large muscles, legs and arms.
- A **Qi** and **Blood Tonic**
- Strengthens **metabolic functions**. Formally categorized as a "Spleen (Pancreas) tonic"
- Strengthens **respiratory functions**. Formally categorized as a "Lung tonic"
- Supports the Upright Qi which maintains our **upright posture** and helps our organs defy gravity, especially in the abdominal and pelvic cavities
- Supports **fluid metabolism** (production, circulation, distribution and elimination of body fluids)

- Fortifies the Protective Qi (Wei Qi) that circulates just under the skin and in the muscle. This surface energy controls the opening and closing of pores and is our **first line of defense** against the offensive environmental forces such as heat, cold, dampness, wind and invasive pathogens and toxins
- Warms and enters the **Spleen** and **Lungs** channels
- Enhances the skin's function to **eliminate toxin** (such as opening and closing of pores)
- Nourishes the **bone marrow** (related to **aging**)
- Used by Taoists and martial artists to fortify **Jing, Qi** and **Shen**

Dragon Herbs has boots on the ground to verify the superior quality of our Astragalus. Our Astragalus is also DNA Certified authentic!

Modern Research

- Activate telomerase, the telomere enzyme that maintains telomere and genetic integrity and prevents telomere shortening
- Inhibit the aging of bone marrow cells and improve the osteogenesis ability
- Reduce the stress on immune cells by stimulating SIRT-1

Superior Process

The freshly harvested roots are extracted at Dragon Herbs' state of the art GMP-certified herbal-nutraceutical factory by advanced processes that ensure its potency and exquisite taste.
